

St. Gonsalo Garcia College, Vasai

Long-Range Plan (2021-2022 to 2025-2026)

8 Building a Diverse and Inclusive Teaching and learning experience

The St. Gonsalo Garcia college's long-range plan is a product of the College's Vision Statement. St. Gonsalo Garcia College's long-range plan spanning 2021 through 2025, the strategic plan of our college is to develop and use the current facility to provide rural youth higher education aimed at academic excellence.

Our Inception

Thrust Area – "Develop & Uplift facilities"

The College is keeping the next five years to develop & use facility and resources to the optimum

1 Expanding Sports Facilities

The college will build a more diverse and inclusive student community. The physical facilities to be developed to provide training to students in various outdoor activities, like football, cricket, Athletic, Basketball,

Volleyball, Kabaddi etc. and also provide an open Gymnasium, Indoor firing range

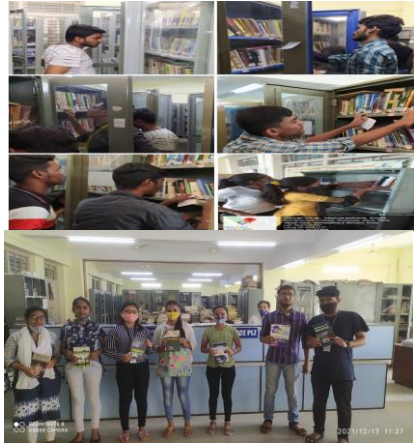

2 Expanding Academic Programs

St. Gonsalo Garcia College will expand Bachelor's, Masters and Research degree program offering in the field where students demands are more

4 Raise fund to support academic and training faculties & staff

The college intends to raise fund from different agencies to support academic, research, activities. This will enable the college to support more academic and staff training activities

6 Expand the college Cafeteria

The College wants to provide sufficient space for running a modern cafeteria. The existing facility to be expanded through adding space and fittings. The Canteen to be outsourced to a right contractor for running it for the benefits of all stake holders of the college

5 Modernisation of College library

The College intends to develop different facilities of the Library including modernisation with technical upgradation – for details about the St. Gonsalo Garcia College- Knowledge Resource Centre (Library) -

<https://sites.google.com/ggcollege.in/krc/>

St. Gonsalo Garcia will continue to build a more diverse and inclusive teaching and learning methodology to provide each students an enriching learning environment.

Our Vision

To provide the rural youth higher education aimed at academic excellence coupled with over all character formation through moral ethical and spiritual values inculcating the spirit of research and discovery, to orient in skills, to ensure employment and self-sufficiency through various courses to enhance essential human resource development for the overall improvement of life which lead to nation building.

7 Measuring Success

The College has to measure its success by Improving accreditation grades of NAAC and NIRF. AQAR to be submitted every year using ADSL, Third cycle of NAAC accreditation to be obtained NIRF to be submitted every year

3 Expanding Audit to new areas

The College intend to conduct different audit to form a view on whether the facilities the provided by the college meet the required standards
