

Department of Rural Development

Programme Outcomes

- 1) To make the students competent in various walks of life
- 2) To make the students job ready and enhance their employability.
- 3) To make the students aware of and responsible towards gender, religion, and class equality
- 4) To enhance critical thinking by making them participate in social activities and imbibe human values among them.
- 5) To encourage the students to participate in research at different levels through projects, interviews, surveys and field visits.

Program Specific Outcome (PSO)

- The subject of rural development is extremely important, it is conducive to successful / professional development and / or postgraduate and doctoral education which inspires development of modern agricultural technology.
- The curriculum creates job opportunities for students in non-government, government institutions, and also benefits competitive examinations.
- Students of rural development will be able to undertake study of various aspects like food, clothing, shelter, health and education which would be useful at different government levels in implementing schemes for promoting individual and social development.
- Our graduates will demonstrate strong communication, participation skills and the ability to function effectively in multi-disciplinary teams.
- The course offers a wide range of job opportunities in the scientific study of agriculture, allied activities, markets, financial sector, health, education, poverty, pollution, population explosion, health organizations and their working methods etc.
- Our students will demonstrate strong bonding in teams and display distinct leadership traits.

Department of Rural Development

Sr.	Paper No.	Paper Name
1	CD	COMMUNITY DEVELOPMENT
2	1	INTRODUCTION TO RURAL DEVELOPMENT & ITS ISSUES
3	2	RURAL SOCIETY AND ITS DEVELOPMENT STRATEGY
4	3	RURAL ADMINISTRATION AND LAWS RELATED TO RURAL DEVELOPMENT
5	4	AGRICULTURE AND ITS SIGNIFICANCE IN RURAL DEVELOPMENT
6	5	RURAL MARKETING AND FINANCE
7	6	APPLIED AGRICULTURE

SEM I PAPER 1 Course Objectives

1	To Introduce Students with the basic concepts of rural development
2	To Acquaint students with the concept, nature and characteristics of rural society
3	To make aware about rural society institutions, its function and changing nature
4	To understand the concept, factors and obstacles in bringing social changes and role of NGOs in bringing social changes

SEM II PAPER 1 Course Objectives

1	To Introduce Students with the basic concepts of rural development
2	To Acquaint students with the concept, nature and characteristics of rural society
3	To make aware about rural society institutions, its function and changing nature
4	To understand the concept, factors and obstacles in bringing social changes and role of NGOs in bringing social changes

SEM-III CD Course Objectives

1	To Introduce Concept of Community & Rural Development to students
2	To Understand the causes of Rural Backwardness, Rural Problems, and prospectus of rural life
3	To Study the Various Rural developments Models
4	To Study Urban Community, Urban Community Development, Problems and prospectus of rural life

SEM IV CD Course Objectives

1	To Introduce Concept of Community & Rural Development to students
2	To Understand the causes of Rural Backwardness, Rural Problems, and prospectus of rural life
3	To Study the Various Rural developments Models
4	To Study Urban Community, Urban Community Development, Problems and prospectus of rural life

SEM-III PAPER 2 Course Objectives

1	Introduce the students with the basic concepts of Indian Rural Society.
2	To Acquaint the students about Rural Institutional Systems
3	To Make Aware about Social Changes
4	To Study the Various Agriculture policies
5	To Understand the Sources of Rural Employments
6	To Introduce the Rural Tourism in the upliftment of rural life.

SEM-IV PAPER 2 Course Objectives

1	Introduce the students with the basic concepts of Indian Rural Society.
2	To Acquaint the students about Rural Institutional Systems
3	To Make Aware about Social Changes
4	To Study the Various Agriculture policies
5	To Understand the Sources of Rural Employments
6	To Introduce the Rural Tourism in the upliftment of rural life.

SEM III PAPER 3 Course Objectives

1	Introduce the Rural Administration and its importance in rural development
2	To Make Aware about various law and Judicial machinery for rural society
3	To Study and understand the importance of planning, people participation in rural development
4	To Introduce the students about Local Self Government and its role and responsibility
5	To Study the various law related to rural area like PESA, Forest Right Act, Biodiversity act etc.
6	To Introduce the students about right of information act.

SEM IV PAPER 3 Course Objectives

1	Introduce the Rural Administration and its importance in rural development
2	To Make Aware about various law and Judicial machinery for rural society
3	To Study and understand the importance of planning, people participation in rural development
4	To Introduce the students about Local Self Government and its role and responsibility
5	To Study the various law related to rural area like PESA, Forest Right Act, Biodiversity act etc.
6	To Introduce the students about right of information act.

SEM V PAPER 4 Course Objectives

1	To Study the Concept and importance of Agriculture in Rural Development
2	To study the significance of inputs for increasing the agricultural production
3	To understand modern trends and technique in agriculture
4	To study the importance of Farm Business Management
5	To Understand the role and significance of agricultural universities in Education, Research and Extension Education.

SEM V PAPER 5 Course Objectives

1	The Course aims to familiarize the students with the basic concepts of marketing
2	Aware the students regarding nature of the rural consumer and rural credit
3	Knowledge of marketing of agriculture produce

SEM V PAPER 6 Course Objectives

1	To Study the Concept, scope and significance of applied agriculture
2	To Aware students about zero budget and bio farming
3	To study the concept, nature, significance and various techniques of horticulture
4	To study the importance of people participation to promote forestry
5	To study various agro based allied activities and their importance for rural

SEM VI PAPER 4 Course Objectives

1	To Study the Concept and importance of Agriculture in Rural Development
2	To study the significance of inputs for increasing the agricultural production
3	To understand modern trends and technique in agriculture
4	To study the importance of Farm Business Management
5	To Understand the role and significance of agricultural universities in Education, Research and Extension Education.

SEM VI PAPER 5 Course Objectives

1	The Course aims to familiarize the students with the basic concepts of marketing
2	Aware the students regarding nature of the rural consumer and rural credit
3	Knowledge of marketing of agriculture produce

SEM VI PAPER 6 Course Objectives

1	To Study the Concept, scope and significance of applied agriculture
2	To Aware students about zero budget and bio farming
3	To study the concept, nature, significance and various techniques of horticulture
4	To study the importance of people participation to promote forestry
5	To study various agro based allied activities and their importance for rural

Course Outcome

SEM-I PAPER 1 Course Outcomes

Unit No.	Course Module	Description
CO1	Rural Development	Students aware about Definition, Concepts, Nature Scope of Rural development.
CO2	Rural Society	Understand the Concept, Nature, Characteristic about the Rural Society
CO3	Rural Social Institution	Students get knowledge about the various Caste, Family system, history of class, changing pattern etc.
