

Our Lady of Grace Trust's

ST. GONSALO GARCIA COLLEGE OF ARTS AND COMMERCE, VASAI

GREEN AUDIT COMMITTEE POLICY

St. Gonsalo Garcia College has adopted the 'Green Campus' system for environmental conservation and sustainability. Green Audit is a process of systematic identification, quantification, recording, reporting and analysis of components of the environmental diversity of an institute. It aims to analyze environmental practices within and outside of the concerned place, which will have an impact on the eco-friendly campus. The green audit is a valuable means for a college to determine how and where they are using the most energy or water or other resources; the college can then consider how to implement changes and make savings. It can create health consciousness and promote environmental awareness, values and ethics. It provides a better understanding of the green impact on college campuses among the staff and students.

Objectives:

The committee mainly focuses on

- The objective of carrying out the Green Audit is securing the environment and cutting down the threats posed to human health.
- To secure the environment and cut down the threats posed to human health.
- To avoid interruptions in the environment, that helps to preserve the sustainable quality of college campuses.
- To suggest the best protocols for maintaining the eco-friendly college campus.
- To document the floral and faunal diversity of the college.

Responsibilities of Green audit committee:

Responsibilities of the Green audit committee:

The committee will be responsible for ensuring the following things on the college campus

1. Maintenance of a clean, pollution-free campus.
2. Creating awareness towards cleanliness and conservation of natural resources amongst students, teachers and employees.
3. Ensure maintenance of greenery on the campus by undertaking tree plantation programs on a regular basis.
4. Organize different types of competitions addressing environmental protection and conservation.
5. Organize environmental awareness rallies in the college jurisdiction area to keep the residential colonies neat and clean.
6. Coordinate with NSS and NCC units of the college in interrelated areas covering greenery, pollution-free campus and awareness creation activities.
7. Proper management of E-waste and handing it over to the pollution control board for disposal.
8. Composting by using the food waste from the canteen.

Green Audit committee members:

The College constitutes a Green Audit committee which ensures to preserve the quality of the environment in a sustainable manner.
