

Report on Research Methodology Workshop

Theme: Awareness on E resources and research tools

Organized by:

Mr. Chaitanya Veer (Librarian and research scholar)

St. Gonsalo Garcia College, Vasai.

A research methodology workshop was organized on the theme of 'Awareness on E resources and research tools' in St. Gonsalo Garcia college for undergraduate students. The workshop was conducted by Mr. Chaitanya Veer, a librarian and research scholar between 6th September 2017 and 4th October 2017. Total 223 students were participated in the workshop.

The purpose and objectives of the workshop were as follows:

- 1) To facilitate and strengthen scholars involved in exploring E-resources.
- 2) Equipping scholars with online research tools
- 3) To make the students aware about electronic data processing and report writing.

The following session were conducted on research theme

- 1) Types of Electronic resources (E Journals, E Books, Online database, OPAC, N list, Shodhganga)
- 2) Purpose of using electronic resources (Research study, Writing articles, upgrading subject knowledge)
- 3) Problems faced while using E-Resources (Lack of information, Lack of resources, Ambiguity in research areas)
- 4) Types of online research tools (Google scholar, Google trends, Mendeley, Research gate)
- 5) Use of library for research purpose (Project preparation, Articles writing etc.)
- 6) Data analysis in Microsoft Excel.
