Research Methodology Workshop In India, the majority of the population resides in rural areas. The development of all aspects within rural communities is vital for the effective development of the country. These include, education, employment opportunities, infrastructure, housing, civic amenities and the environmental conditions. Furthermore, rural individuals need to be aware of all modern and innovative methods and techniques that are vital to augment productivity. The main purpose of research is to inform action, to prove a theory, and contribute to developing knowledge in a field or study. On this note the Department of Rural development organized 3 days' Residence Workshop at Krushi Vigyan Kendra, Kosbad from 22nd to 24th November 2019. 54 under and postgraduate students participated in the workshop.

Report: Seminar on SSB (Services Selection Board)

Services Selection Board (SSB) is the Board that assesses the candidates for becoming officers into the Indian Armed Forces. The board evaluates the suitability of the candidate for becoming an officer using a standardized protocol of evaluation system which constitutes personality, intelligence tests, and interviews. The tests are of both types i.e. written and practical task-based. An SSB comprises the panel of assessors, who are officers in the Indian Armed Forces and having their specialization as Psychologist, GTO (Group Task Officer), and Interviewing Officer. In total there are thirteen Service Selection Boards across India, out of which four boards are for the Indian Army, four boards are for Indian Air Force, and five boards for the Indian Navy. SSB is a 5 days' evaluation process. Dr. Sathish Kanojiya, an ex-cadet and a team of experts, explained to our cadets the techniques to prepare for the SSB exam.
